

# KJV FIRST – WHY?

by Dave Weeks

What would you say if someone asked you why you are KJV FIRST? My answer would be fourfold:

1. My first Pastor recommended It to me in 1973. Its companion was the Old Scofield Reference Notes.
2. It's the first Bible I read and studied as a child of God. It taught me to worship the Lord with loving obedience and to acknowledge Him in all my ways. Over the years, He has become the God of my everything.
3. It was available on cassette tape by Alexander Scourby. That helped me to read Old English.
4. I have memorized scores of verses that I would not trade for any of the modern translations. The KJV AMP (2015) Parallel is the best companion (one of a pair complementing the other) the KJV has ever had. It brings the 1611 English of the KJV to the 21<sup>st</sup> century without changing the meaning of the text. Take a look!
