

Christian Bear Your Armor! Eph 6:10-17

The seven different pieces of spiritual armor compared to the actual pieces of armor for a Roman soldier.

1. Loins girt with truth—the soldier's belt kept things in place
2. Breastplate of righteousness—protecting the soldier's heart
3. Feet shod with the gospel of peace—genius of spiked sandals
4. Shield of faith—to protect from the seen and unseen enemy
5. Helmet of salvation—bronze, lined with leather, neck cover
6. Sword of the Spirit—two edged, turned up at the tip
7. Prayer in the Spirit—soldiers mental and physical strength

Truth= knowing God's will and the 10 basic doctrines of the faith are what keep all the other parts of the armor in place.

Righteousness= being right with the Lord and your fellow man is what makes the heart function at full capacity.

Gospel= is God's genius of redemption and way of peace.

Faith= is the victory shield that overcomes all our enemies.

Salvation= everlasting life, no enemy can take it from you.

God's Word= it is the power that transforms a life.

Prayer= is trusting the Lord which brings victory in the battle.

In order for each individual Christian to stand in the battles encountered during his life, he must put on the whole armor of God. All seven pieces must be in place and functioning!
