TAKE THE CHALLENGE

Take the challenge to be certified. Start teaching others what you have already learned and change the present to preserve the future.

The rules are: If you can say it, you know it. If you said it yesterday and today, you can say it tomorrow. If you continue, it will become permanent. Start here and say the 10 Commandments!

It is our hope that the TSSB will become the Sunday school teacher's best friend and that it will be used to strengthen the churches' foundation and equip the believers for the work of the ministry.
